Wow, what a winter! And it's still not over?

Well, you know how it went -- a slow start, but then it wouldn't finish. So we did plenty of skiing, at Sugarbush, Glen Ellen, Stowe, and even Mad River had delightful conditions. (In case you don't know, they say "Ski It If You Can" not because it's all difficult, but because they don't make snow there.)

And we didn't all just downhill. We cross-countryed, snowshoed, hiked, shopped, sauna'd, partied and more. It's not just about skiing -- it's the people and the whole SSC lodge in Vermont experience!

For a better view of these and many other photos and events, including our race winners, New Year's revelers, and more, visit SwissSkiClub.org/Albums.

The SSC asks the age-old question: Wotts Matterhorn?

Nothing the matter with our trip to Switzerland! It was splendid! The biggest snowfall there in 18 years. You can't beat Zermatt, and we roamed all over. Two countries of skiing. An ice hotel. (And a nice hotel.) And we all had dinner together (included), so even though we had a record number of people on the trip, everybody got to know each other better.

Other special events this winter ...

Every SSC event is special. But some are especially special. Like our New Year's Eve Weekend Bus Trip. And our two intra-club races (everybody gave it a try, including boarders), family weeks, and other festivities at our Lodge.

And our goings-on about town also went on and on ...

We introduced the club to attendees of Paragon's open house, skated at Bryant Park, met for happy hours all over, toured the Metropolitan Museum, had a great holiday party, learned about winter sports orthopedic conditioning at NYU, enjoyed Warren Miller's latest film, had dinners and more. Oh, and, Members, don't forget our business meetings.

By the way, "around town" also means our second

home of Waitsfield, VT -- an actual, quintessential Vermont small town.

We'll add plenty of other distractions this spring, summer and fall. But ... keep this thought!
